

"I have a very good theory!"

"Let's study it." 2

"We can test it." 3

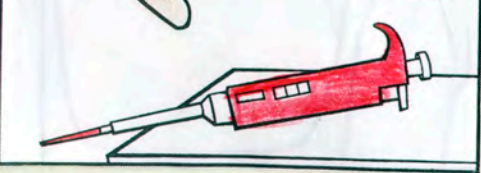

"These will make the plants stronger!" 6

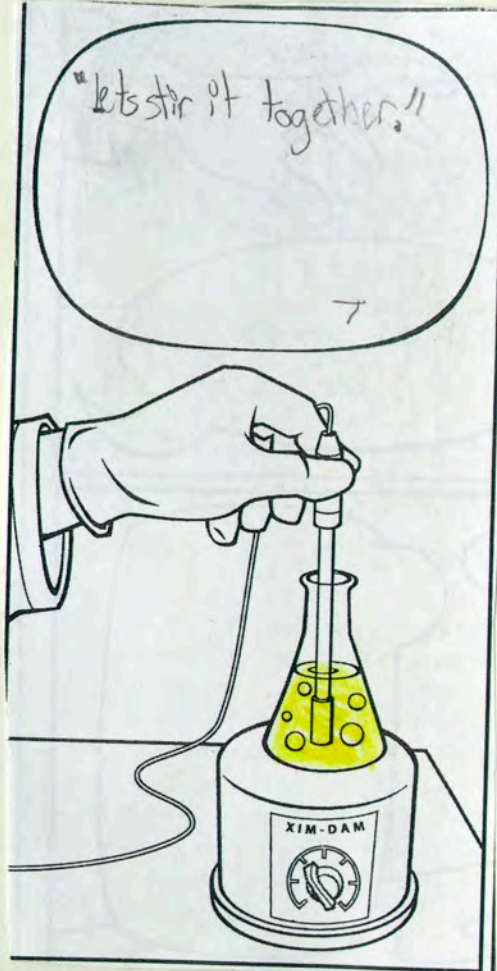

"We need this to put in the plants." 4

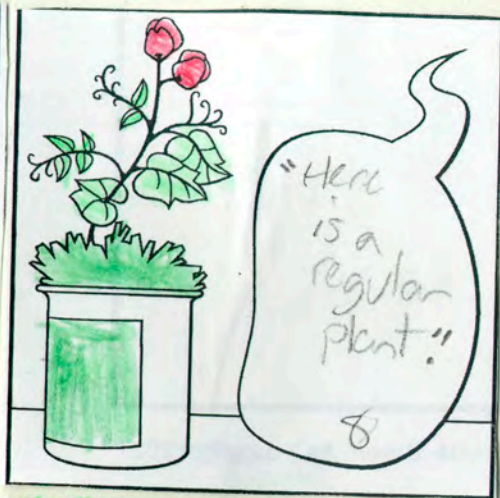

"Let's use this to inject those!" 5

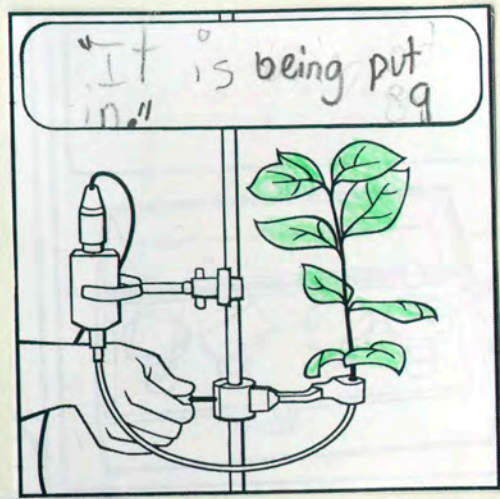

"lets stir it together!"

"Here is a regular plant!"

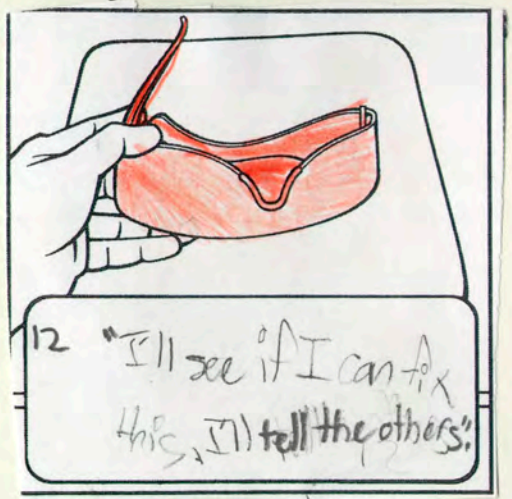

"It is being put in!"

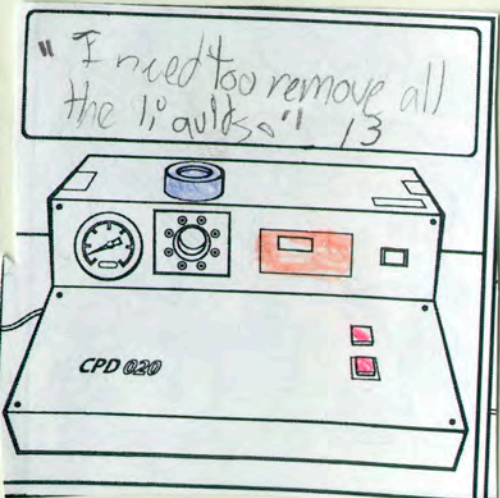

"I'll let this snake go!"

"Whats happen? This was supposed to make it stronger!"

"I'll see if I can fix this, I'll tell the others!"

"I need to remove all the li^o acids!"

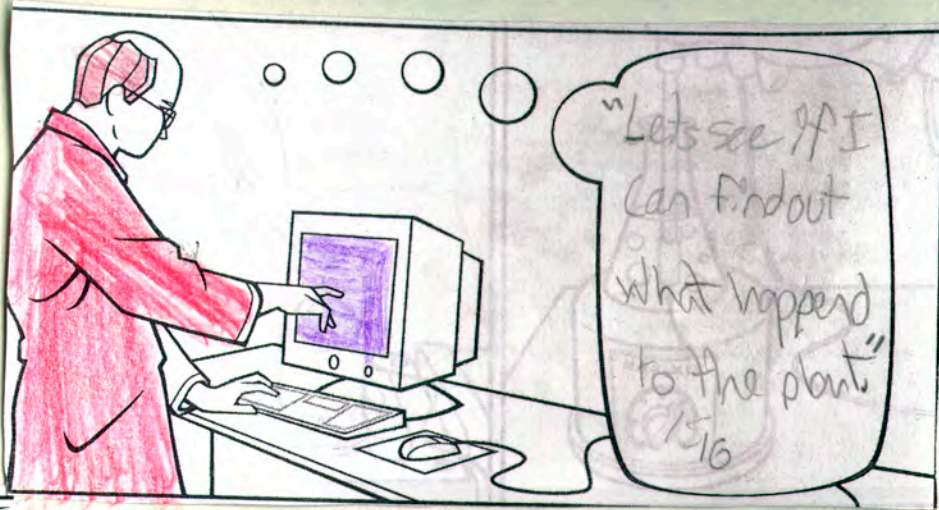

"I'll go study what happen to this theory!"

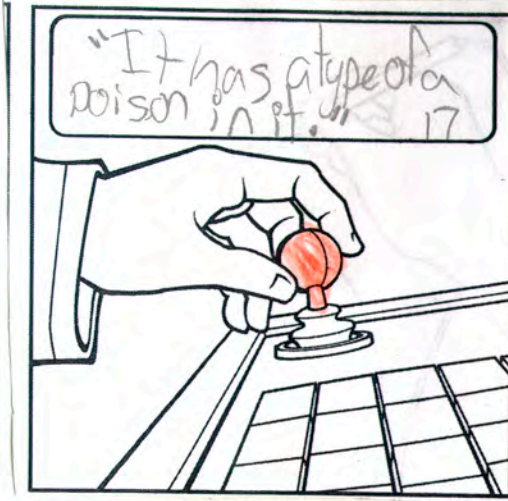

Scanning electron microscope

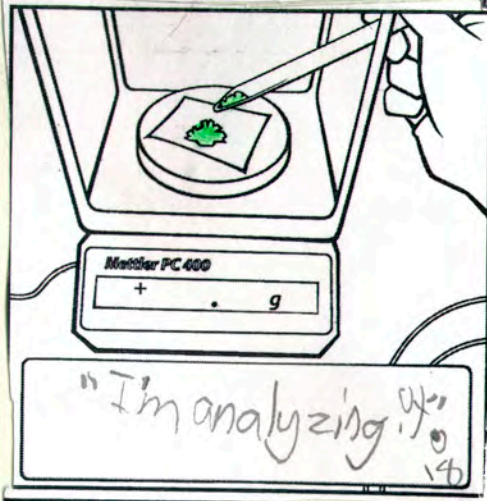

"Something is wrong. The formula is wrong!"
15

"Let's see if I can find out what happened to the plant!"
16

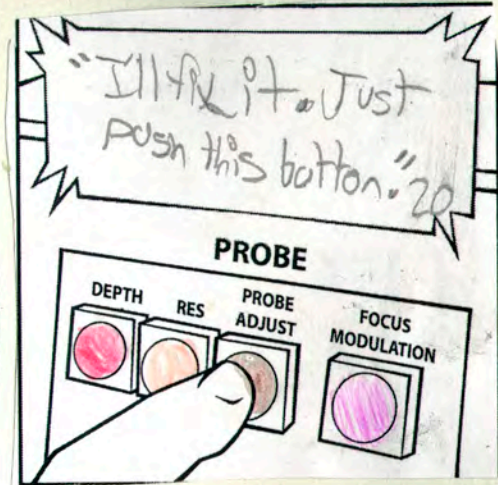

"It has a type of poison in it!"
17

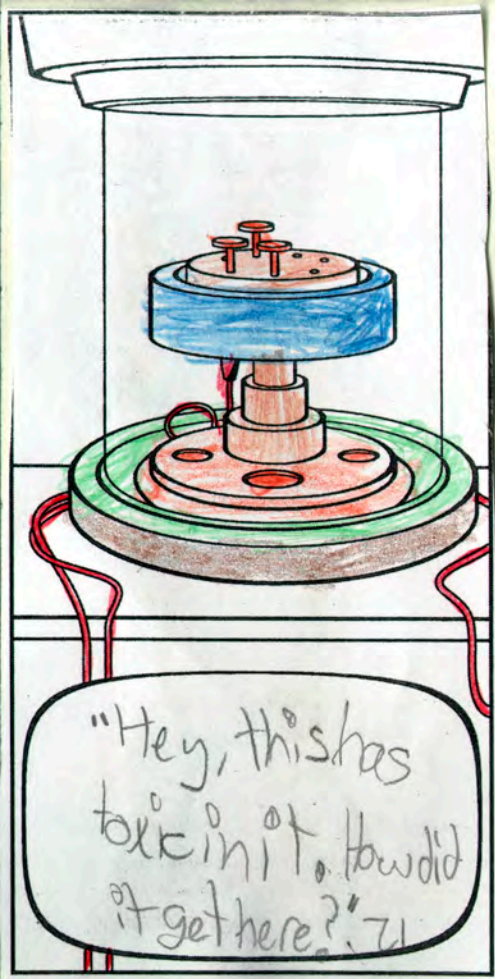

"I'm analyzing it!"
18

"It's snake venom? How did it get here?"
19

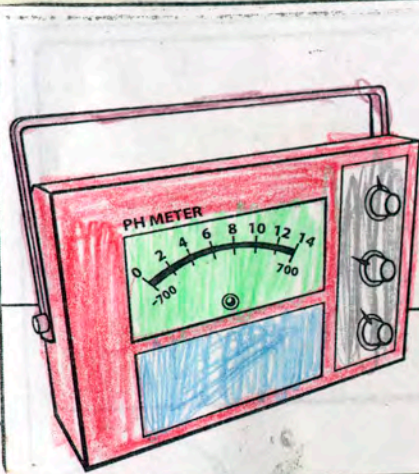

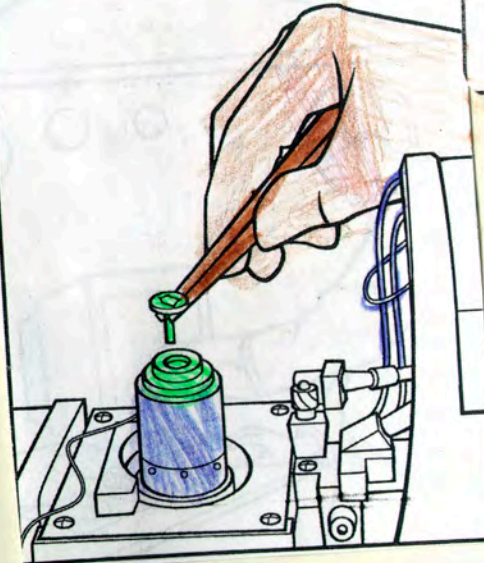

"I'll fix it. Just push this button!"
20

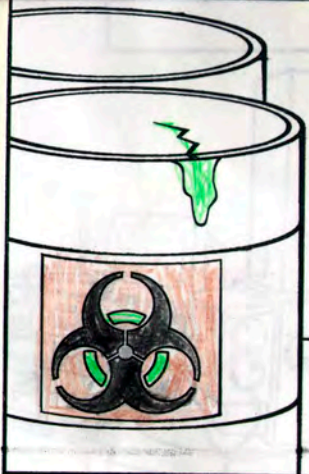

"Hey, this has toxic in it. How did it get here?" 21

"I can't fix this I need to prove his theory wrong so I don't get into trouble." 22

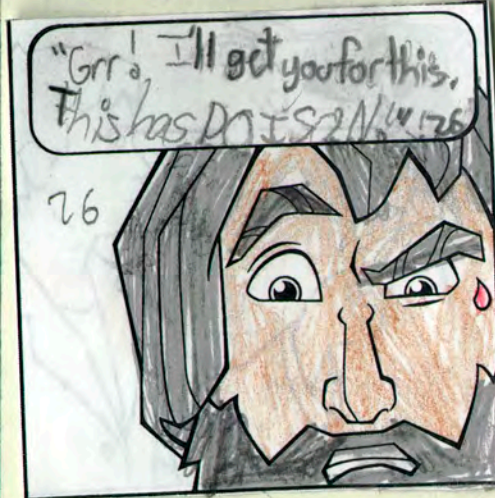

"I'll just use this. And I'll mess it up. drip" 23

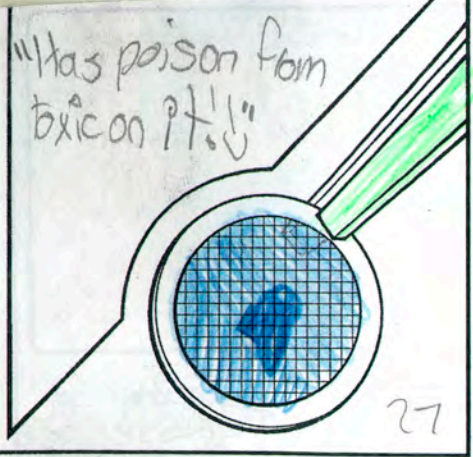

"It's 24 Toxic poison! This could start a fire!"

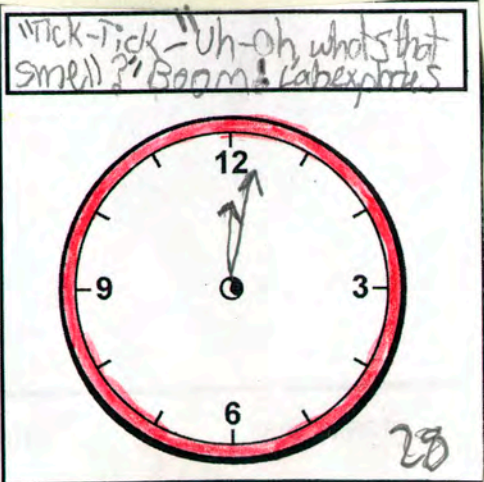

"I'm saying that your 25 theory was wrong look this shows it was poison!"

"Grr! I'll get you for this. This has DRUGS in it!" 26

"Has poison from toxic in it!" 27

"TICK-TICK - Uh-oh what's that smell? BOOM! Lab explodes" 28

Toxic cassette everything! 29
