

I'm so excited, that I'm going to study the ocean! I want to go in the water!

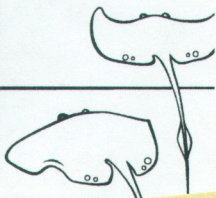

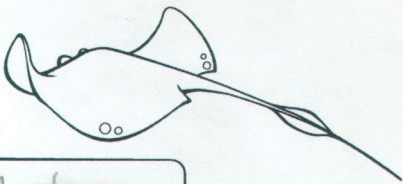

Stephanie grabbed the Pressure Regulator, to go under the ocean,

Crack!!!
What was that noise? I'm going to see!

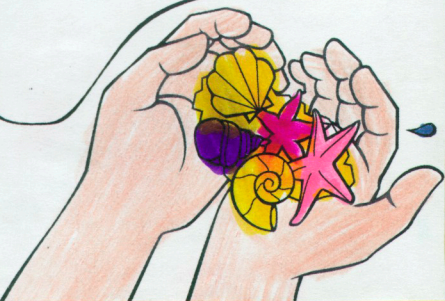

Stephanie loves this anemones.

Stephanie was so excited to see mantos.

Stephanie got this when she was in the Ocean.

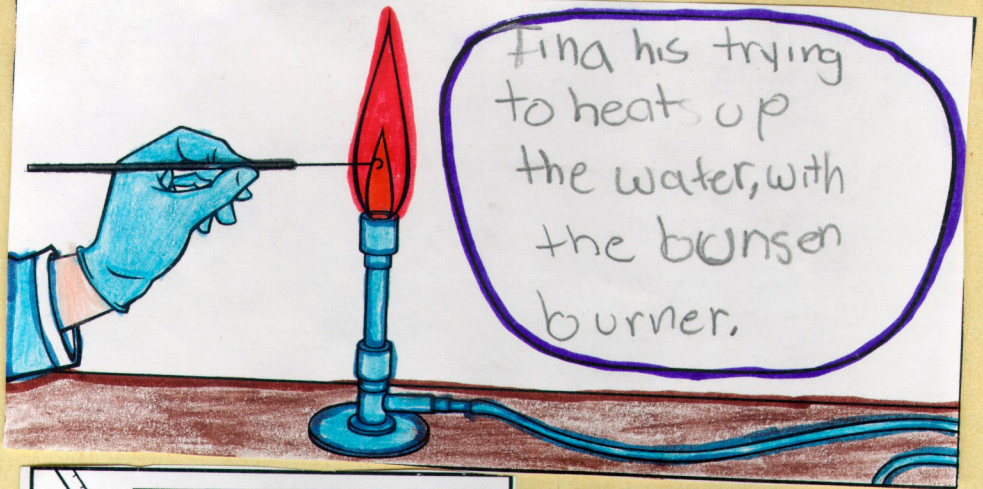

This is where Tina is going to put the shoe.

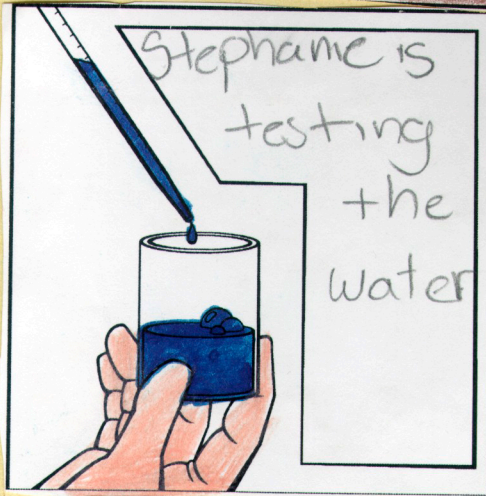

Tina, put the shoe here to find out, what shoe is this.

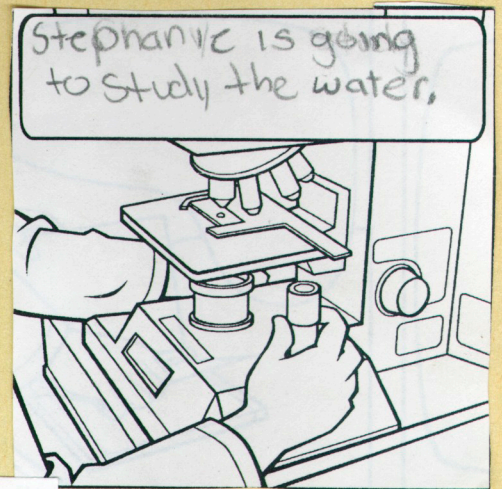

Let's see what it does if I mix this water, with this chemicals.

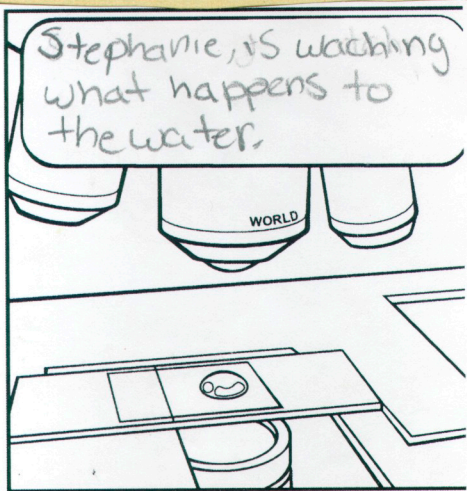

Fina his trying to heats up the water, with the bunsen burner.

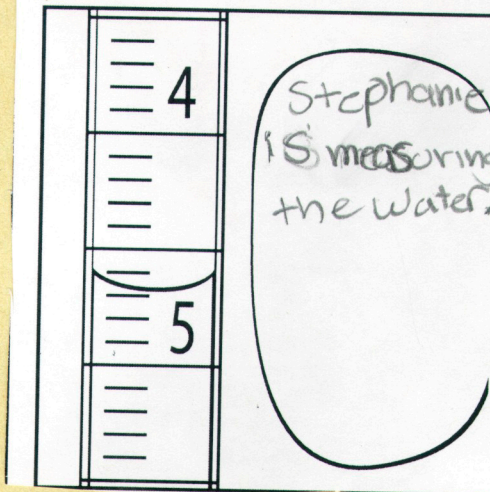

Stephame is testing the water

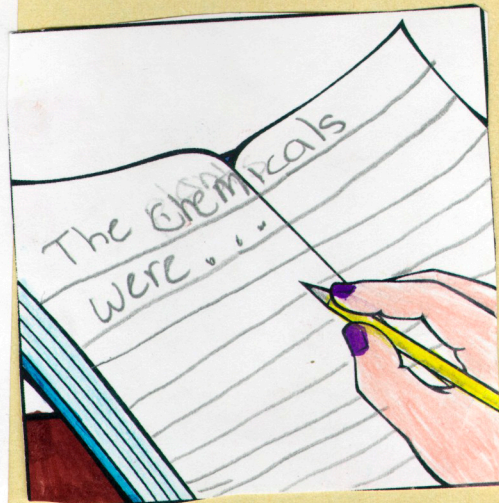

Stephanic is going to study the water,

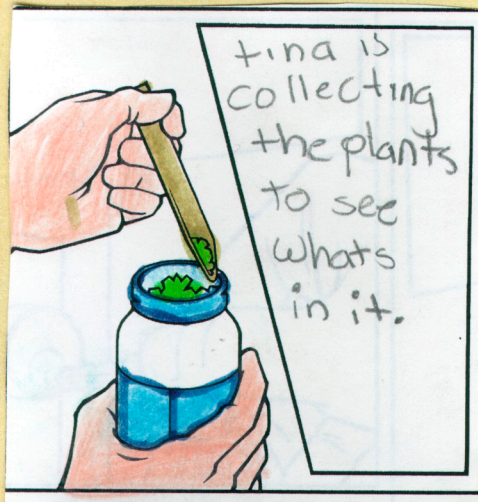

Stephanic, is watching what happens to the water.

Stephanic is measuring the water.

The chemicals were...

Tina is collecting the plants to see whats in it.

Tina is gonna study this plants

Joe is trying to escape
